ABOUT

I am a software engineering student   seeking a summer internship in the field of software development, where I can apply my knowledge and skills for continuous improvement.

EDUCATION

Preparatory Institute for Engineering Studies (IPEIN) | 2011-2014
National School of Carthage Engineers (ENICAR) | 2014-2017
Private Higher School of Engineering and Technology (ESPRIT) | Now

SKILLS

-Ability to self-motivate with a strong desire to learn and ability to be flexible
Excellent knowledge in information architecture, human computer interaction and usability design principles
Strong abstract reasoning skills with an ability to focus on key concepts at all levels of detail
Strong teamwork and communication skills, both written and oral in a highly collaborative environment
Perform effective detailed design tasks, whilst adhering to quality standards and appropriate documentation
Excellent knowledge of JavaSE/JavaEE and JavaFX programming, especially in developing multi-core or multi-threaded software
Basic knowledge of c# programming language

EXPERIENCE

--Java EE   Event Managment Project (PDEV in ESPRIT) For Orion Sector's Club Used Technologies (JPA,JSF,JAVAFX)
